The Season of Families

As the year wraps up, friends and families gather together to celebrate the good times as well as look back on more challenging times and learn from them. We do the same. At the Fanwood Rescue Squad, we all think of each other as family, the closest family you could ever imagine. We can be rowdy at times, disagree with each other at others, but at the end of the day we are family. We all care about each other. We are the family that drops everything and does whatever it takes to help others in their time of need. When your elderly grandparent has fallen and cannot get up, we are there for you. When your child is running around outside and trips and breaks their arm, we are there for you. When your baby is sick and needs to go the hospital, we are there for you. Whatever the day, whatever the weather, we are always there for you. We are always on call and will never hesitate to come when you need us. When someone calls 9-1-1, that day is often the worst day of their life. We are their beacon of hope. For us, that is the best feeling in the world and we strive to be the people who make that worst day just a little bit better. And who would know how to take care of someone better than someone who cares for everyone as if they were their family. Our family is special. We even have multiple multi-generational families on the Squad. We pride ourselves on being able to care and show compassion for everyone we meet. Our one mission at the Fanwood Rescue Squad is to provide emergency medical services to the Borough of Fanwood. And along with that mission, we also get to do many wonderful things, such as show your children around the

(Continued on page 2)

THANK YOU FOR OUR NEW AMBULANCE!

Thanks to the generosity of the Fanwood Borough Council and the citizens of Fanwood, we have deployed the brand new ambulance, a state of the art 2017 Ford/Braun Signature Series. It is Diesel fueled, has an air ride suspension for a smooth ride, and 4-wheel drive so we can respond safely in inclement weather. The new ambulance has a black and yellow paint job – a departure from the familiar brown and tan body paint of our past ambulances yet still respecting our traditional colors.

Thanks again!

PLEASE SUPPORT US. DONATE TODAY!

Many companies match employee donations. Does yours?

We are an official 501(c)(3) nonprofit organization.

Your gift is tax-deductible as allowed by law.

ambulances and give them tours of what we do. We also participate in parades, honoring those who have and are currently serving our country. During this season of family and friends, we are all proud of serving our community. As volunteers, we don't do any of this for riches or glory, but for the lives that can be saved.

During the holiday season, please think about everyone we can reach and help next year. Without the support of our residents, the future of the Fanwood Rescue Squad would hang in the balance as a volunteer organization. Your donations allow us to keep doing what we do and save more lives. Please donate using the enclosed donation card and envelope, or visit us online at www.fanwoodrescue.com to make a secure credit card donation.

From our family to yours, we wish you a safe and happy holiday season!

Member Spotlight - Katherina Albreu

The Rescue Squad has welcomed me with open arms into their family. Each and every single one of our members has an amazing skill from which we can all learn. We all share 3 things: the passion to help those who are in need, the urgency to do so, and the nurturing ability to do all that we can for the families and patients that cross our paths. I hope all of our residents know that I am honored to be able to serve you at any given moment.

Next to creating life, the finest thing a person can do is to save one. – Abraham Lincoln
