

FREE CPR FOR OUR COMMUNITY

**Made possible by the volunteers of
the Fanwood Rescue Squad and our
local businesses!**

The Fanwood Rescue Squad is once again offering free CPR classes for Fanwood and Scotch Plains residents during EMS Week beginning Saturday, May 17th, 2014. CPR, with the use of an automated external defibrillator (AED), remains an important tool for citizens to help give unresponsive people a second chance at life. Classes are open only to residents of Fanwood and Scotch Plains and are underwritten by generous local businesses. Here's the schedule:

- Saturday, May 17, 8:30 AM
- Monday, May 19, 7:00 PM
- Wednesday, May 21, 7:00 PM

Registration is online only at www.fanwoodrescue.com/cpr-classes.

Once again, we ask our business community to help us pay for these classes by donating \$100. In exchange, we will advertise your generosity in the newspaper and on our website and include your company name/logo on a flyer given out at the classes. If you're interested in sponsoring CPR, please go to www.fanwoodrescue.com and click the [DONATE](#) link, or send a check to:
